## SESSION 5.1: SHOW WHAT YOU KNOW: WORKSHEET

Name \_\_\_\_\_

Our state capitol has many ideas carved on its façade. There are both words and images. Many of the words and images go together or support each other to CARVE AN IDEA that endures for our citizens for generations. Your job is to choose a work of art from our capitol then compose words to go with it. You can write a poem or lyrics to a song or research a quote that seems appropriate. Create and share.
